PUBLIC NOTICE

Implementation of the Evaluation, Measurement & Verification Regulations

The purpose of this action is to propose rules to govern how the Director of the Division of Energy & Climate and the Division of Energy & Climate administer their obligations under 29 Del. C. § 8059(h). The regulations govern an overall approach to the evaluation of energy efficiency and demand response programs in Delaware, standardize evaluation approaches for the assessment of energy efficiency and demand response programs, provide specific guidance to Program Administrators, contractors and stakeholders for the evaluation of energy efficiency and demand response programs, and ensures consistency between Program Administrators' energy efficiency evaluation plans, analysis, and reporting efforts.

NOTICE OF PUBLIC HEARING

A public hearing on the proposed regulation will be held on August 29, 2016 beginning at 6:00 p.m. in the DNREC Auditorium, 89 Kings Highway, Dover, DE 19901.

Interested parties may obtain a copy of the proposed regulation by emailing Emily.StClair@state.de.us. The draft regulation is also available online at <http://www.dnrec.delaware.gov/energy/information/otherinfo/Pages/Division%20Regulations/DEC-Regulations.aspx>
